**Towards a Catalogue of Cleveland Publishings Western Series. 1. Preliminary Title Lists for The Shorter Mixed Series**

*Anders N. Nilsson, Nordmaling, Sweden*

[Version 2 April 2026]

A first important step for a better understanding of the many Australian westerns published by Cleveland is to gather information for a catalogue of some sort. Seems this work demands some collective efforts. I now distribute this preliminary list with more than 1,900 titles freely with the hope that those who knows and likes these books and magazines will help me to fill in the gaps. What I now need is simply #/Author/Title for as many of the missing issues as possible. Guess there are also some errors in my list that need to be fixed. All help is most welcome for sure, and I then promise to distribute updated lists. The two longer series Bison and Cleveland Western all will get their own lists, according to the plan. Please send your additions by email to: andersnnilsson25@gmail.com.
